

RESIDENT NEWSLETTER

Gateway
March 2022

Thank you!

- Our continued thanks for your patience and cooperation during the relocation and construction process. “Gateway Rising” is scheduled to be completed in Summer 2023 and we look forward to welcoming you to your new home!

Construction Update:

- Site grading and paving are now complete and underground utilities have been installed.
- Building foundation and wood framing are underway – check out the aerial image below!

Updates from Resident Services:

- **Woodlands Newell After School Program - Spots Available!** Interested in having your child(ren) (ages 5-12) attend the After School Program at Woodlands Newell? Call Johnny to enroll - the program operates Monday - Friday from 3:30-5:30pm and offers:
 - Fun and educational activities related to social emotional learning
 - Literacy & enrichment activities
 - Homework assistance
- **General assistance and referral support.** Call Johnny for assistance with applying for benefits or accessing services, including: rental and/or utility assistance, coordinating with your local school officials, and information about community resources.
- **Please note that Johnny’s availability at Woodlands is limited; please call, email, or text for an appointment.**

Reminder

Contact Synergy at
